## INTRODUCTION

Christy-Award winner Angela Hunt writes for readers who expect the unexpected in novels. With over five million copies of her books sold worldwide, she is the best-selling author of more than 140 works ranging from picture books (*The Tale of Three Trees*) to non-fiction books, to novels.

This small publication has been published to help avid readers keep track of their favorite Angela Hunt books—what’s the order of a series? What are other historical books? What books has Angela written for children?

You’ll find all those answers in this little booklet.

Angela writes about a lot of different subjects because she is fascinated by many subjects—animals, medicine, psychology, unexplained phenomena, and “just about everything” except sports. Books, she says, have always shaped her life— in the fifth grade she learned how to flirt from reading *Gone with the Wind*.

Her books have won the coveted Christy Award, several Angel Awards from Excellence in Media, and the Gold and Silver Medallions from *Foreword Magazine’s* Book of the Year Award. In 2007, her novel *The Note* was featured as a Christmas

movie on the Hallmark channel. Romantic Times Book Club presented her with a Lifetime Achievement Award in 2006.

Also in 2006, Angela completed her Master of Biblical Studies in Theology degree. She completed her doctorate in biblical studies in 2008 and her Th.D. in 2015. When she's not home reading or writing, Angie often travels to teach writing workshops at schools and writers' conferences.

We will try to keep this ebook updated as long as Angela keeps writing. No need to purchase it again—if you choose “update files” on your kindle, for instance, the file will automatically update for you. Happy reading!
